## MINISTRIES

Amanda Crabb along with her husband, Aaron, are the Senior Pastors of Restoring Hope Church in Hendersonville, Tennessee. They have been married since 2003 and have 4 children; Elijah, Eva, Ean & Eda-Beth.

Aaron and Amanda Crabb are no strangers to ministry. Their music has crossed genres, generational boundaries, as well as denominational barriers. They have seen what the power of worship can do in the presence of thousands as well as calm their little daughter in a Vanderbilt trauma unit. They understand that worship is the breaking of ground to prepare for a seed to be sown.

Pastor Amanda is a featured conference speaker known for her distinctive message delivery and obedience to the Holy Spirit.
